DECISION ON ATTORNEY'S FEES AND COSTS¹

On November 10, 2020, Valerie E. Wuebben filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleges that she suffered a left shoulder injury related to vaccine administration as a result of an influenza vaccine administered to her on November 14, 2017. Petition at 1. On April 3, 2023, I issued a decision awarding compensation to Petitioner based on the parties' stipulation. ECF No. 59.

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$67,513.88 (representing \$64,375.60 for attorney's fees and \$3,138.28 for attorney's costs). Petitioner's Application for Attorney's Fees and Costs ("Motion") filed Apr. 4, 2023,

¹ In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2018).

ECF No. 61. In accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses. *Id.* at 1.

Respondent reacted to the motion on Apr. 17, 2023, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. Respondent's Response to Motion at 2-3, 3 n.2, ECF No. 63. Petitioner filed a reply on Apr. 17, 2023, requesting the Court to proceed to a consideration of and decision on the motion. ECF No. 64.

The rates requested for work performed through the end of 2022 are reasonable and consistent with our prior determinations, and will therefore be adopted. Petitioner has also requested the hourly rate of \$408 for 2023 work performed by Mr. Richard Moeller – representing a rate increase of \$29. And Petitioner requests the hourly rate of \$137 for 2023 work performed by paralegal Melissa A. Jones. Motion at 3. I find these hourly rates to be reasonable and will award the attorney's fees requested. (And all time billed to the matter was also reasonably incurred).

Furthermore, Petitioner has provided supporting documentation for all claimed costs. ECF No. 61-2. Respondent offered no specific objection to the rates or amounts sought.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$67,513.88 (representing \$64,375.60 for attorney's fees and \$3,138.28 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel, Richard M. Moeller.**

In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this Decision.³

IT IS SO ORDERED.
